New Bedford *Mercury* October 29, 1861:—

"The company will today be provided with two 12 pound howitzers, two 6 pound smooth bore, and two rifled cannon.

There are twenty tents, including officers' quarters, those of the privates accommodating twelve men each. Since the Battery has been encamped, a park has been neatly laid out, and a Liberty pole erected in the centre. The company rations are satisfactory, and the Quartermaster is spoken of in the highest terms."

#### McCLELLAN COMMANDER-IN-CHIEF.

On the 31st of October, 1861, General Winfield Scott retired, and General George B. McClellan was made Commander-in-Chief of all the Armies of the United States.

FROM CAPT. PHILLIPS' LETTER FEB. 8TH.

"I think General Hooker is going to work very well, he is getting a very good staff. General Butterfield has great administrative abilities, and is thoroughly acquainted with the tactics and details of the service. General Warren, Chief of Engineers, is considered a very fine Topog. General S. Williams, McClellan's old A. A. G., is back, and has always been considered a very fine staff officer. The corps is announced as the unit for Artillery, so that the post of Division Chief of Art'y will lose its importance. . . ."

Chase's Diary: "Feb. 9, 1863. Spent the whole afternoon in getting half a load of wood to camp. Team got mired in the woods, and we were obliged to throw half of our cargo overboard. An order read in line at the afternoon Roll Call to 'respect and obey' in future Serg't O. B. Smith as Orderly Serg't., John W. Morrison as Serg't. and Wm. B. Pattison as Sergeant.

Feb. 10th. Inspection of the Battery,—and 4th Rhode Island Battery,—by Captain Weed, 5th Regulars, at 12 m. today, after which our roll was called in his presence. Went with the Battery today, although my foot is still

quite sore. Lieut. Blake returned from furlough and Sergt. Page left camp for furlough. Wm. Barry returned from convalescent camp at Alexandria."

Scott's Notes: "Feb. 10th. . . . Battery inspected by Captains Weed, Martin and Waterman."

From Captain Phillips' Letter of the 11th:—"Yesterday in pursuance of the plan ordered from Hd. Qrs. Army of the Potomac, Captain Weed inspected the batteries of this Division, the inspection occupying most of the forenoon. I was able to make a very respectable appearance; my carriages, having been painted, looked quite neat. Captain Weed made no remarks, so that I cannot say how well he was pleased. Captain Martin has sent in his resignation twice, and both times he has been refused. General Hooker has just issued an order that resignations may be accepted when accompanied by a surgeon's certificate of disability, or when it is evident that the officer can be replaced by a better man. Captain Martin says he thinks that he shall call for a Board of Examiners, and if they do not conclude that he is entirely unfit and ignorant, it will not be his fault. . . . Last night, soon after dark, a belated traveller called on me for hospitality. It turned out to be a correspondent of the New York 'Times' named Judd, a graduate of Williams College of the class of '60. Of course I was glad to furnish him with food and shelter. . . ."

Phillips' Diary: "Tuesday, Feb. 10, 1863. Blake got back from Washington. He brought . . . Casey's Tactics, Anderson's Evolutions of Field Artillery, cards, paper, etc. . . . A party of recruits left Massachusetts today. Wednesday, 11th. . . . Spent the day in camp reading tactics etc."

Scott's Notes: "Feb. 12, 1863. Battery D, 5th U. S. Artillery entered in hurdle race, best jumper to have 15 days furlough."

Dyer's Notes: "Feb. 13, 1863. Camp policed today in

I hereby Certify, That I have carefully examined

disability.

duration.

The disability is probably not permanent.  
A more particular description of the applicant's condition

### EXPLANATION.

1. PROOF OF MARRIAGE. — Record-evidence, if possible, must accompany the application of a widow. If there be a County, Town, or Church record of the marriage, the Clerk, who has custody of the Record of Marriage, must certify to a true copy thereof, and make oath thereto before a Judge, Notary Public, Commissioner, or Justice of the Peace. The fact that the Judge, &c., is such, must also be shown by Certificate and Seal of a Court of Record, annexed to said copy, in the same way that the application and witnesses' affidavit are authenticated. If there is no public, but a private family record containing the marriage, or the births of children, such private record should be sent to me. It will be returned when used. Testimony to cohabitation and general repute as man and wife will not alone be sufficient proof of the marriage, unless the claimant is unable to present either public or private record-evidence, or the testimony of persons who were present, and so states in her Declaration.

2. Witnesses will here state in what manner they derive their knowledge of the soldier's identity, and if they, or either of them, were present at the marriage, it should be here stated.

We Edward Kelly and Bridget O'Brien,  
both of Boston in the County of Suffolk and  
Commonwealth of Massachusetts, who being duly  
sworn depose & say that we were well acquainted  
with our William Barry, deceased, late a member of  
Co. G. 5th Battery, Mass Light Artillery, and wife's  
widow, Mrs. Mary Ann Barry is an Applicant for a  
pension, was at the time he left the said service in a  
disabled condition, caused by injuries received in said  
service, and that he continued disabled & unfit to  
do any laborious work, of any kind, up to the time  
of his death in December, 1866.

We know these facts from a personal acquain-  
-tance in & with deceased soldier, & his family.

We have no interest in this claim, direct or inder-  
-est.
